## 2010 Bible Reading Plan

On our website and at the Welcome Center we will have copies of a reading schedule that will help each of us get to know God and His Word better. It is a little different than some other plans and might be a good alternative for you:

(1) **It is a plan with “breathing space.”** We schedule readings during the week and “catch up days” on the weekends.

(2) **It is a “highlights” plan.** You will not read every verse of the Bible, but you will read the majority of the Old & New Testaments during the year.

(3) **It is an “alternating” plan.** Our plan alternates between New Testament and Old Testament readings.

(4) **It is a “variety” plan.** To add variety, the daily readings are of various lengths.

(5) **It is a “people-focused” plan.** The daily readings emphasize the actions, qualities, or characteristics of people (and God!) This can help you better understand how to use the biblical principles you read about in your own daily life.

***If you read just 10-20 minutes each day, you can accomplish this plan!***
